

## ***2024-25 Confirmation of Rollover amounts***

Your 2024-2025 FAFSA application was selected for verification or our office has found conflicting information regarding an Individual Retirement Account (IRA), pension, or annuity rollover.

The amounts in these data fields are not transferred over from the IRS but are entered manually.

Please verify the amount of the IRA, pension, or annuity rollover entered on the 2024-25 FAFSA. The contributor who enter the amount on the FAFSA will sign the document along with the student (If the student is the contributor that entered the rollover information then only the student signature will be required).
