

NURSING PROGRAM APPLICATION

Dear Student,

Welcome to the 2023 Nursing Selection Process! Please carefully review the instructions prior to filling in your application. Applications will be accepted between Wednesday, March 1, 2023 and Thursday, June 1, 2023 only. The application deadline is **Thursday, June 1, 2023**. There are no exceptions. Please note the college will be closed Monday, May 29, 2023.

Only submit the two application pages and requested documents. All other documents will be discarded.

Application Instructions for the Nursing Program

Demographic Information:

1. Atlantic Cape Community College considers the address on your driver's license (or NJ non-driver's ID) to be your legal residence. If you are the spouse of a Coast Guard member stationed locally, please provide proof of your housing assignment or lease as proof of address for eligibility.
2. Your Atlantic Cape email address is required for the application. Your personal email will not be accepted. If you have difficulty accessing your account, please contact the office of Enrollment Services at register@atlanticcape.edu.

Section I:

1. If you are transferring in your prerequisite courses, it is recommended to do that as soon as possible.
2. If you have not kept a personal copy of your transcript and you do not know the grade of your prerequisite course, please write "TR" on the line. Your prerequisite course grade will be entered and your prerequisite GPA will be verified once the official transcript is reviewed.
3. Do not round your GPA. Drop off any number after the hundredths place.
4. Your overall GPA is a calculation of any courses you have completed at Atlantic Cape only and can be found in your Self-service account. If you have not completed any courses at Atlantic Cape, please leave this blank.

Section II:

1. We do **not** require an official TEAS score report/transcript. The score sheet that you submit must have your name, the date of the exam and the score.
2. Proof of high school completion can be a copy of your diploma or a transcript showing your graduation date. An official transcript is not required. If you have to order it, please make sure that you keep a copy for yourself.
 - For foreign credentials, a certified translation will be accepted for the purposes of applying. However; an official evaluation will be required if offered conditional acceptance to the Nursing Program. A student in need of foreign evaluation services can visit www.naces.org/members.html to find and select an agency approved by NACES to perform their foreign credential evaluation. Please carefully follow the directions provide by the vendor that you select.
3. We will require a copy of your driver's license or NJ Non-driver's ID. The address on your license must match the address you have provided in the demographic section. If you have moved, please also provide proof of your address change. You can change your address or receive this confirmation at no charge on the MVC website. (<https://www.state.nj.us/mvc/online-services.html>)

Section III (LPN applicants only):

1. If you are an LPN and your license is expiring, please also provide proof of renewal with your license. The renewal confirmation from the NJ Department of Consumer Affairs will also suffice.
2. Completion of Anatomy and Physiology II is required to be considered for LPN Advanced Placement. If A&P II has not been completed, or you have not earned at least a "C" in the course, your application will be reviewed with the general RN cohort.

Acceptance to the program is on a competitive basis. Successful completion of all prerequisites does not guarantee acceptance into the program. Atlantic and Cape May County residents are given priority consideration. Residents of other counties will be considered only if all seats cannot be filled with qualified Atlantic and Cape May County students.

Atlantic Cape does not discriminate in admission or access to its programs and activities on the basis of race/color, national origin, religion/creed, disability, age, marital status, gender or sexual orientation.

PAYING YOUR \$25 PROCESSING FEE

There are two options to pay your processing fee:

1. In person, at any campus location
 2. In your Self-service account (preferred)
-
1. To pay at the Bursar (cashier) office, visit the Atlantic Cape Community College campus that is most convenient for you. Sign into the QLess system to see the Bursar. Please make sure you have photo identification. This is required to perform any transactions on your account.

 2. To pay in your Self-service account, you must first email bursar@atlanticcape.edu
 - a. The subject of your email should be: Nursing Application Fee.
 - b. The body of your email should state your name and student ID number along with the following message: "I am applying to the Nursing program. Please add the \$25 processing fee to my record."
 - c. You will receive a response from the bursar's office when this is complete.
 - d. *Note: This must be done during business hours.

Computing GPA (Grade Point Average) for selection to the Nursing Program

Compute a Grade Point Average (GPA) based upon only the four prerequisites of the AAS degree in Nursing:

English Composition I	(3 credits)
General Psychology	(3 credits)
Principles of Sociology	(3 credits)
Human Anatomy & Physiology I	<u>(4 credits)</u> (13 credits)

The GPA computation is based on Quality Points earned per final grade in each course.

A- = 3.7 points	A = 4 points	
B- = 2.7 points	B = 3 points	B+ = 3.3 points
	C = 2 points	C+ = 2.3 points

Multiply the points earned by the number of credit hours for each course, then add the total points earned and divide by 13 credits. The total Quality Points divided by 13 credits will give you the grade point average for your Nursing Program prerequisites.

	Letter Grade	Grade Points		Credit Hours		Quality Points
BIOL120 or BIOL220*			x	4	=	
ENG101			x	3	=	
PSYC101			x	3	=	
SOCL101			x	3	=	
				= 13 Credits		= _____ Total Quality Points (sum of above)
Cumulative GPA for Prerequisites		Total Quality Points =	÷	13 credits	=	_____ Prerequisite GPA

*BIOL120 was renamed BIOL220, effective Fall 2016.

Selection Process for the Nursing Program

- Admission to the Nursing program is on a competitive basis due to the limited number of spaces available in courses that require clinical practice in hospitals and other healthcare settings.
- The number of seats can vary from year to year. Selection of students is made once a year after the JUNE 1st application deadline. All students who meet the admission criteria and apply to the program are ranked according to the TEAS score and the prerequisite GPA. The highest-ranking students are offered the available program seats on a conditional basis.
- **PLEASE NOTE: Atlantic and Cape May County residents are given priority consideration in the selection process. Residents of other counties are admitted on a space-available basis.**
- Conditional acceptance by the Nursing program, should they meet the post-acceptance requirements, permits the student to enter the program in September of the year in which they applied. Students who are not accepted into the fall class will need to reapply to the Nursing program the following year and may retake the TEAS test or any prerequisite courses to improve the likelihood of success in the competition for admission.

Conditional Acceptance Process

Students admitted to the Nursing program will receive a conditional acceptance. Students are not considered accepted to the Nursing Program until the following requirements are met:

- Students must begin the program in the fall of the year they receive the conditional acceptance. Those who are unable to do so must contact the Admissions Office in writing to decline their seat and reapply to the program to be considered for a future class.
- Students conditionally admitted must complete the entire Nursing Program within a three-year period.
- Students must meet the health requirements of the State of New Jersey and the clinical agencies that are used for clinical practice.
- **Students' Health Requirements include:**
 - Physical Examination
 - Immunization Requirements:
 1. MMR
 2. Varicella
 3. Hepatitis B (proof of injections and titers)
 4. COVID vaccine and booster.
 - Tuberculin Skin Test (TST) or equivalent (PPD) must be updated annually
 - Influenza Vaccination (Flu Shot) required annually
 - Health Insurance – Required upon conditional acceptance and for duration of Nursing program
- Completion of an Assumption of Risk and Release Form, which indicates an understanding of hazards inherent to the healthcare field.
- Completion of a Criminal History Background Check (CHBC).
- Completion of Urine for Drug Screening (UDS).
- Completion of the CPR certification is required before entering the Nursing Program. The only acceptable CPR certification program permitted for admission to the Nursing Program is Basic Life Support for the Healthcare Provider offered by the American Heart Association.
