Your Money Matters:
It's never too early to apply for financial aid.

First Semester

Dive right into college by taking your first classes. Need help? With Atlantic Cape's small class size, individualized attention, and free tutoring services, help is never out of reach. Make new friends on the campus quad and learn why Strudels is Atlantic Cape's best kept secret by indulging in a sweet treat and an espresso in between classes.

Summer

Complete placement testing (if needed) and meet with an advisor to build an academic or career plan. Register for your first semester classes and go online to start exploring degree programs and areas of study.

Get Prepared:
Attend New Student Orientation.

Winter

Get ahead over the break with in-person and online classes and earn credits in less than 2 weeks.

Save Even More:
Reapply for financial aid and scholarships.

Second Semester

Get involved! Join a club, visit the new art gallery exhibit on campus, and cheer on the Atlantic Cape Buccaneers! Go Bucs!

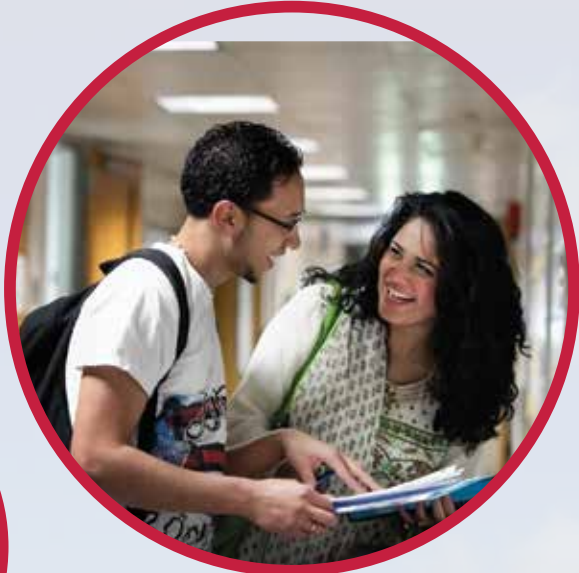

Check Your Progress:

Meet with an advisor to plan your next steps.

Summer

Stay on the fast track to graduation! Pick up a class or two over the summer and graduate on time, or early.

Third Semester

Start planning for transferring to the school of your dreams. Attend the transfer fair and meet with a transfer advisor.

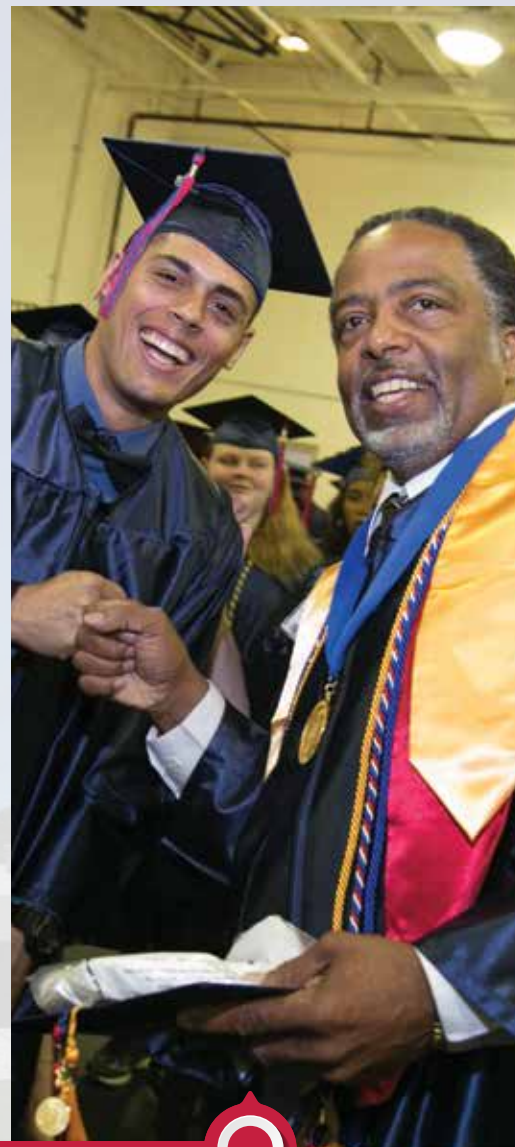

Take the Next Step:

Apply to graduate.

Final Semester

Almost there! Get your resume job-ready with help from our career counselors and dress to impress for our annual career fair.

Graduation

Earn your associate degree! Your degree will open doors to whatever path you choose, whether it is transferring or entering the workforce. Celebrate your accomplishments with your fellow graduates. As part of the Alumni Association, you'll have a strong professional network supporting you along the way.

Partners in Education

Prepare for your future by making the smart move now. Take advantage of our 28 transfer partnerships with 4-year institutions, so you can start here and get your bachelor's degree there – while saving big.

Rutgers at Atlantic Cape

Rutgers is the only four-year institution with a dedicated building on Atlantic Cape's Mays Landing campus. Students can earn their bachelor's or master's degree closer to home in over 10 different fields of study. Exclusive scholarship opportunities are available to Atlantic Cape students.

Fairleigh Dickinson University at Atlantic Cape

The Atlantic Cape-FDU Scholars Program offers discounted tuition, specific scholarships for Atlantic Cape graduates, and housing assistance. Bachelor's and master's programs are offered at Atlantic Cape's Mays Landing campus or choose to study at one of their traditional campus locations.

Stockton Transfer Pathways

Take advantage of Stockton's housing and academic resources while attending Atlantic Cape. Enter Stockton as a junior upon graduation from Atlantic Cape and you'll be eligible for dedicated Atlantic Cape scholarships and waived admission fees.

Associate in Applied Science Degree Programs

Our degree programs feature hands-on and academic training, plus an externship for real work experience in the U.S. or in Europe. After graduation, you can seek a job or transfer to a four-year college.

Financial aid and scholarships are available.

Culinary Arts

This program offers training for culinary and food and beverage personnel for careers in the growing food service and hospitality industries. Students learn different styles and techniques for ordering, preparing and serving food, planning menus, incorporating computer technology, as well as working with an assortment of modern tools and equipment.

Food Service Management

Designed to provide the skills needed to manage a restaurant or food service outlet, this degree puts graduates on the track to manage food service operations, such as those in hospitals, corporate cafeterias, upscale fast food operations and chain restaurants.

Baking and Pastry

The Baking and Pastry option provides students with an opportunity to explore their interest in the pastry field while maintaining fundamental concepts in core culinary courses.

Certificate Programs

Learn the basics for entry-level positions so you can quickly get into the workplace.
