

Student Athlete Contract

Each team is required to attend mandatory study hall for two hours each week. Study hall is monitored by either the head coach, assistant coach, or a designated team member.

The role of the designated team member is to make sure that all members of the team sign in during their study session. Sign in is located in a binder at the front desk of the library. Athletics staff will check the binder weekly to make sure that all teams are signing in.

Study hall must be completed at the Mays Landing campus library.

Failure to complete study hall could result in the following disciplinary action:

1st missed session- Warning

2nd missed session- Miss first half of the next scheduled game

3rd missed session- Miss entire next scheduled game

If you miss study you must make up the missed study hall session before competing in your next game. Failure to do so will result in the consequences listed above.

Attendance- The first semester everyone is required to attend. Second semester you must have and maintain a 3.0 GPA throughout the entire semester to be excused from study hall.

During study hall hours tutors and library staff will be available to assist with any assignments or research.

Coaches are responsible for making sure that student athletes are completing their two hour study hall requirements each week.

I have read and understand the Study Agreement listed above
